

Konditor & Cook: Extra Tall Chocolate 'Streamer' Cake

"A truly magnificent centre piece for chocolate lovers"

This cake was designed to form an eye-catching centrepiece as well as providing the basis for a wedding dessert.

It is available as a combination of 3 or 4 extra tall tiers (each tier being a minimum height of 12 cm).

For it to be structurally safe it can only be made as moist dark chocolate sponge, layered and filled with dark chocolate ganache.

Each tier is clad with curling dark chocolate panels, high-lighted with gold.

The top and edge of each tier features a tumbling cascade of white chocolate streamers.

As a dessert we recommend the addition of summer berries, fruit coulis or stewed winter fruit with some crème fraiche.
